BANG , “What’s that?” said Jimmy.

“It’s the sound from the garage,” said Layla.

“Let’s go look over there,” Jimmy said.

“What, that’s weird there’s nothing over here,” Layla replied.

Then the same sound came again. Bang, bang, BANG! Jimmy and Layla went to check if it's a note on the window.

There was a note on the window that said “if you don’t do what I say you’re dead ,jump out your bedroom window.

“Heck no,” said Jimmy. “I’m dead either way. So I am not and I am going to see what he’s going to do.”

Later that night , “Ahh what’s that that just stung me?” Jimmy screamed.

“I don’t know,” said Layla. “I’m going to call the police. This is freaky.”

“911 what’s your emergency?” the office worker at the police station answered.

“Hi, it’s my husband! He’s dying...” Layla said in a shaky voice.

“Okay, try to remain calm, Ma’am. I’m just going to get some information from you. I need to stay on the call where this is happening” she spoke. “What’s the address?”

Layla took a deep breath and tried to calm her nerves, “37292 Noble Street” she replied.

and “one more detail Layla,” “is he stung by the venomous sting”?, “I think so said layla ,. Ok stay tight, police and emergency SOS are on the way. “Thank you so much,” said Layla” your welcome, that's my job anyway. Ok” LATER that night the EMERGENCY SOS police arrived. Hello is this Layla “ yes this is her” “so it turned out that he has arsenic poisoning that can kill someone so we need to rush him to the hospital.” “We need to do a procedure”,. Said the Police Officer, so we need to take him to the hospital.

“Ahhhhh” Jimmy screamed, “hold tight we just need to put this needle in your skin,”.

Said the police officer, “Oh no we did a mistake,” Said the police officer.

“We put the needle in his back,” said the Surgeon”. “We were supposed to put it in his stomach.”,.

“So he might die,” cried Layla. “probably” said the surgeon.

“I am so sorry to tell you this”, said the surgeon.

“I will miss you Layla. I am sorry I didn’t jump out of the bedroom window,” cried Jimmy, then the unexpected happened

“Don’t you like dying” said the demon that is going to kill him.

He grabbed a knife and he put his hands up and stabbed jimmy.

“Why” yelled Layla, Layla grabbed the closest sharp item and it was the surgery knife. And she threw it at the demon and that didn’t harm or touch the demon. So she yelled as hard as she could.
